Wall decals or stickers can be a unique way to create a interesting interior home design themes. You can find vinyl wall decals on just about any theme. They are easy to remove because they have no adhesive backing in most cases and placed in another area or the house or room.

Wall decals because they are easy to remove should be considered in a rental. Vinyl wall stickers usually do not have adhesive and cling using static. If you are a renter where your landlord will not allow you to even paint and you would like some interior decorating and design to color up a room then they may be the best solution not only that you can take them with you when you move.

Wall stickers and decals come in many designs, colors, shapes and themes that is why they are so popular. Some of the more popular wall decals for say a nursery are alphabet wall stickers and train wall decals. You will also find that comic book hero's, cartoon characters and movie characters are also very popular design themes and are often available on the Internet.

Life size Hannah Montana decals and stand ups can add a decorating touch to a teens room. In many cases most popular movie, cartoon or comic related vinyl decals can be found online. There are even great in a children's bathroom or play area even in a tree house!

If your a sports fan you can often find your favorite player sports wall decals. Life size decals of your favorite players in action or any sport such as football, baseball, basketball, snowboarding even Nascar. If you have a sports themed room or basement this is often the way to go. Most of your life size decals can be found on the Internet and many vendors offer free shipping.

Wall decals also make a great gift idea for that hard to find gift for that person that has it all. If you are having a special get together or birthday party and you want to decorate a room just for that event vinyl wall decals are great and when the event or party is over you can give them to that special person who the event was for.

Another favorite wall decals are ones that glow in the dark stars and planets are great for a children's ceiling and if the ceiling is white blend in during the day or when the light is on but glow for several minutes once the lights are out. Glow in the dark paint can also be purchased. One tip I can offer is to implement glow in the dark paint into a ceiling and create you own night sky.

Vinyl wall stickers give you unlimited ways to decorate a room or space in your home. They are easy to apply and easy to remove. This is why they are increasingly becoming popular for interior design projects.
